

EMAIL TICKET AGREEMENT AND RELEASE FORM

Kansas 811 (KS811) has entered into an agreement with One Call Concepts, Inc. (OCC), our contracted service provider, to provide tickets and other information via the internet. However, our contractual arrangement under your membership agreement does not provide for services to be rendered in this manner. For this reason, KS811 requires a release from your company with respect to the services to be provided through the internet.

You acknowledge, by your signature below, for your organization, that KS811 has no control over third party telecommunications networks, servers, or the internet used in providing the services requested above, and that delays and disruptions of other transmissions over such networks are completely beyond the control of KS811. KS811 and OCC does not guarantee the availability or reliability of such telecommunications networks beyond its control.

It is your organization's responsibility to confirm that all information sent through the internet (tickets by sequence number, audits, etc.) is received. Because emergency and other priority messages will be sent through the internet, your organization must accept responsibility to frequently check your e-mail account and confirm the receipt of all information sent to your designated location.

By signing below, your organization agrees that it releases, remises and forever discharges, for itself and its predecessors, principals, agents, successors, and assigns, KS811 and/or OCC, and any of its agents, employees, successors and assigns of and from all claims, demands, damages, actions, causes of action nor suits at law or in equity, of whatsoever kind or nature, for or because of any tickets, reports or other information that KS811 attempts to transmit to you through the use of e-mail over the internet.

If you have any questions, please do not hesitate to contact us at 316-687-2102. Thank you.
